CAUTION
VERSIGTIG

WARNINGS:

- Handle with care.
- A skin and eye irritant.
- Observe all warnings that are applicable to products with which BOOSTER AS will be used.
- Store away from food and feedstuffs.
- Keep out of reach of children, uninformed persons and animals.

Although this remedy has been extensively tested under a wide variety of conditions, the registration holder does not warrant that it will be efficacious under all conditions because the action and effect thereof may be affected by factors such as abnormal soil, climatic and storage conditions, quality of dilution water, compatibility with other substances not indicated on the label as well as by the method, time and accuracy of application. The registration holder furthermore does not accept responsibility for damage to crops, vegetation, the environment or harm to man or animal or for lack of performance of the remedy concerned due to failure of the user to follow the label instruction or to the occurrence of conditions which could not have been foreseen in terms of the registration. Consult the supplier in the event of any uncertainty.

PRECAUTIONS:

- Observe all precautions that are applicable to products with which BOOSTER AS will be used.
- Do not inhale the spray mist.
- Avoid contact with skin and eyes.
- Wear protective clothing (overall, face shield and rubber gloves) when handling the concentrate and during mixing.
- After use and in case of accidental skin contact, wash thoroughly with soap and water.
- In case of eye contact flush eyes with copious amounts of clean water for at least 15 minutes.
- Wash contaminated clothing daily.
- Do not eat, drink or smoke while mixing or applying or before washing hands and face and change of clothing.
- Prevent drift of spray mist onto other crops, grazing, rivers, dams or areas not under treatment.
- Clean application equipment after use and dispose of wash water where it will not contaminate crops, grazing, rivers or dams.
- Triple rinse empty containers in the following manner: Invert the empty container over the spray or mixing tank and allow to drain for at least 30 seconds after the flow has slowed down to a drip. Thereafter rinse the container three times with a volume of water equal to a minimum of 10% of that of the container. Add the rinsings to the contents of the spray tank before destroying the container in the prescribed manner.
- Destroy empty container by perforation and flattening and never use for any other purpose.
- Prevent contamination of food, feedstuffs, drinking water and eating utensils.

DIRECTIONS FOR USE: Use only as directed.

Dosage:

Use 2ℓ BOOSTER AS per 100ℓ spray mixture.

Mixing Instructions:

- (a) Half fill the spray tank with clean water, start agitation and add required amount of BOOSTER AS.
- (b) Add the correct amount of flowable herbicide, glyphosate and remaining water with continual agitation.
- (c) Should a wetter be required, add this last.
- (d) Maintain adequate agitation during application and do not leave the tank mixture to stand for any length of time.

NOTE: The use of BOOSTER AS will increase glyphosate efficacy by improving its uptake and aid compatibility with certain other herbicides.
